

March Newsletter

We are gearing up for Earth Day on April 22, 2023 from 10am-2pm.

Andi Jackson made an awesome poster that we will be posting around towns.

We are having Earth Day kits to color a kite, color a globe suncatcher and fill a jiffy pot with soil and a few seeds.

We will have hamburgers, hotdogs, chips, soda and water.

We are looking for volunteers and donations to help with this event.

Theresa is donating cake pops and I (Sheryle) am donating cinnamon rolls.

We will appreciate any help. I sent out a text so you can get back to me.

We really want to put our town back on the map.

Grants have been filed with Chase County Community Fund and Trusler Foundation for our public restroom.

Many new ideas on where and how to work that out. Many of the estimates are way above a budget at the present time.

Next council meeting will be April 10, 2023, at 6:00 pm at City Hall.

Please come and bring up any ideas you may have for fundraisers.
