DISCUSSIONS

Cliff Vanderzaden attended the meeting and was informed that since all of arrears, \$75 reconnect fee and he replaced locks that the council will not pursue prosecution. If by chance, this situation should arise again, charges will be filed. We appreciate Cliff and Kimberly for coming and settling this matter.

Tyler Jackson motioned and David Simmons II seconded for \$100 toward Earth Day, April 22, 2023 for purchasing items: kites for coloring, seed cups, soil and seeds for planting, globe suncatchers for painting. We will be having a BBQ with hamburgers, hot dogs and chips. Cake pops and small cinnamon rolls for dessert and drinks. A text was sent out for volunteers and donations to Elmdale residents.

Grants for our public restroom with Chase County Fund for \$5,000 and Trusler Foundation for \$10,000 have been applied for in Emporia. While speaking to Becky Nurnberg, who oversees the grants suggested that we work on an event for October 7-8 for 150 year celebration.

Matthew motioned to adjourn and Ruth seconded.

Next City Council meeting is April 10, 2023, at 6 pm at the City Hall building.
