

March 2024 Newsletter

Our accomplishment of the public restrooms gives us reason to be proud in revitalizing our community. It will give us facilities during events and fundraisers..

Double D Moving, Inc has given us the ability to meet state requirements at the lagoon. These before pictures show the condition we were working with.

These are the after pictures and we really appreciate the amazing job they done.

They are now working to get the fence back up to state standards.

Our next project will be on our city streets that Double D will be working on for us.

We are knocking around the idea of a community garden if we can get some participation from the community.

We are also working toward fixing up the City Hall so it can be used for events.

Next council meeting will be April 8, 2024, at 6:00 pm at City Hall. Please come and bring up any ideas you may have for fundraisers.
