

February Newsletter

December 2024 ended on a great note as we were able to gather funds from the Chase County Community Fund, The Chase County Recreation Commission, the Elmdale Methodist Church and a donation from the City of Elmdale City Council for the Park for borders and mulch to keep the kids out of the sandburs.

This Spring there will be a purchase of a handicap swing for children with disabilities from the remainder of the funds.

2025 will be a great year for Elmdale as we work to bring our community together. Your input is welcomed and appreciated and our City Council meetings are open to the public.

I'm happy to see that many are using the dropbox, and I really appreciate it. Feel free to drop by if there is any way I can help.

The online bill payments are increasing, and we really appreciate that.

We have received a letter stating that KDHE has approved of our new Lift Station engineering report. Hopefully we will see work beginning in the Spring 2025.

Friendly Reminder about the burn site. Please only burnable items are to be put into the burn site. Thank you for your cooperation.

Next council meeting will be March 10, 2025 at 6:00 pm at City Hall.

Please come and bring up any ideas you may have for fundraisers.
