DISCUSSION

Matthew brought up the idea for a Pancake Breakfast once a month.

The fogger was fixed by Cody Kelly for \$100.

Double D has been working on our roads, and we really appreciate that. This will be paid out of the Special Highway Fund.

We are getting estimates on windows and doors for the City Hall and for electrical to be ran for an AC/Heat unit. We are hoping to be able to get help through grants to accomplish this.

Matthew, as our Certified Water Operator, was given permission to get extra parts to keep on hand for emergencies. A chlorine kit was order to fix our chlorinator at the well house.

We appreciate any ideas or questions any may have about our city.

KDHE is understaffed but will be getting with us about the new water lines and lift station.

We will have interest to pay on the loan for the lift station so we are waiting for the to be ironed out with KDHE.

We purchased a bigger propane heater for \$100 to heat for our meetings as the weather is very frigid and small heaters are not handling the problem. It will be used at the city shop as soon as we can get the AC/Heat in City Hall.

Motioned to adjourn the meeting and motion was seconded.

Next City Council April 14, 2025, at 6:00 pm at the City Hall building.
