#### **DISCUSSION**

- Darin was here to discuss upcoming projects.
  - Darin brought the contract for the lift station, and it was signed and approved by council with 5 yes votes and 0 no votes.
  - We are still gathering information on which properties need new meters or pits.
  - During these projects we will be replacing all the galvanized and lead pipes.
  - Air Raters to help with lagoon might be able to get added to an existing project
- Well Pump needed worked on so David Simmons helped with it and council approved paying him 500 for his knowledge of electricity. The motion was made by Tyler Jackson and seconded by Matthew Simmons. Flint Hills should be coming back and fixing it the rest of the way.
- Backups for City Help. Matthew might be going out of town for a while, and this started the discussion of needing backup. We are looking for someone to send to training in July for a backup water person. We would also need a back-up person willing to mow.

Matthew Simmons made a motion to adjourn the meeting and Tyler Jackson seconded and the motion was approved.
